CSAQ Visits 2012 Kalbar Show

On Saturday 16th June 2012 a strong group of CSAQ Members made the trip out to the Annual Kalbar Show for a display, and to take part in the Grand Parade to show and talk about our club and the owners of the Restored Speedway Vehicles, and to also look over some of the memorabilia that the CSAQ had on display during the day.

and Tony Woods behind the wheel of a FJ Holden Saloon Car that Tony is in the process of restoring and hopefully it will be available for more displays by the CSAQ during the coming twelve months.

It was also good to see that Tony and his wife Kerry had made the trip to Kalbar Show, and it was noted by Tony that Kerry is feeling a lot better and lets hope that we see Kerry at some more of our displays in the future.

A strong support from the group of CSAQ Members were in attendance at Kalbar Show this year and a good time had by all, and with a small crowd of spectators who visited this years show we were still able to talk to a few people as well as having all the photo albums and our array of Stickers and the 2013 CSAQ Calendar which is FOR SALE at a reasonable price.

In closing this report special thanks to all the CSAQ Members who turned up and assisted everyone as they arrived for yet another good display at the Kalbar Show for 2012, and we look forward to going back in 2013. Following the dismantling of the display some of the members called into the pub for a chat and drink before heading home.

The Newsletter Editor has placed some of the photos of the cars who turned up for the display on the next page.

CSAQ Visits 2012 Gatton Annual Show

CSAQ Club Display Gatton Show.

On Saturday 21st July a small group of Classic Speedway members rolled up on a very brisk sunny morning to set up the display at the Annual Gatton Show and after a small wait it was time to set up our display so that we could show what the club is all about.

This photo shows the entire display where three (3) Speedcars, (1) Super Modified, (1) Stock Car, (1) Formula 250 or Microsprint

and (1) Formula 500, and even though we had a small display of vehicles they all brought some interest for the good crowd that had turned up for the show and I am sure plenty of information was passed onto all the visitors to the show, and as the finish time was getting closer we were blessed with a special visitor by the name of Country and Western Singer Adam Brand who took time to pose for the camera beside John & Shirley Stephen Super Modified to help make the day more important and give our club members a chance to meet this well known singing star here in Queensland.

As per usual two of our drivers by the names of Bob Hebert who drove the Stock Car and John Stephen who drove his Super Modified in the Grand Parade for the show.

A big thank you to Brian & Kathy for making the trip from Goondiwindi to the Gatton Show with his Formula 500 and a chance to catch up with all the other CSAQ members.

This photo shows Kathy getting stuck into a Strawberry and Ice Cream delight and I hope that she enjoyed it and for the Newsletter Editor it looked very tasty and I hope that you enjoyed it Kathy.

Looks Delicious

This photo to the right shows Tony and Kerry Woods relaxing after they had walked around the showgrounds looking at what was on offer, and as mentioned in the Kalbar Show report it was good to see that Kerry was able to get out and about to enjoy her time at the show, hope to too see you again real soon.

Thanks to all the CSAQ Members you made the effort to make the trip to the 2012 Gatton Show. All photos from Col's Action Photo's.

As the Newsletter Editor brings this report to a close I would once again like to thank

all the CSAQ Members for their support at all the shows and other events that we have had during 2012. Report and photos supplied by Col's Action Photo's.

In Memory of Eric & Nancy Campbell

This page has been dedicated to the Life and fun times of the Late Eric Campbell.

Eric Campbell raced cars for 30 years and was known as the 'BLACK ANGEL' because of the Black Scarf he always wore. His wife, Nancy, also became a speedway driver.

Eric's Speedway career began in 1969 when he became involved in an Austin A40 mini roll car with his brother-in-law, Mal Johnson (a Maryborough Sporting Car Club member).

In 1970 Mal, Eric and Nancy took out the top point score for A Grade, B Grade and Ladies. He raced primarily at Archerfield until 1973, then moved to the Brisbane Exhibition Speedway. In the 1980's he raced stockcars, improved production and railcars. He smashed 26 feet of the Exhibition Speedway fence in 1982. His last serious race was in 1998, but his last race was at Yandina Speedway early in 2001. Eric and his wife Nancy regularly competed at most race tracks in the South-East corner of Queensland. They were regular competitors at Maryborough Speedway, and whenever Eric and Nancy were in town, it was always a memorable occasion. Eric Campbell passed away on the 11th March 2001 after a short illness. The memorial trophy has been donated by Nancy and her family, Beenleigh Auto Trim, Dad & Dave Removals and The Geraghty's in memory of Eric who was one of the more colourful characters of speedway racing.

As part of the Tribute to Eric Campbell the Newsletter Editor has added some more good memories of one of the stars of the sport of speedway racing. This photo to the right is how the FJ Holden looked before it was sold to Tony & Kerry Woods following Eric's passing.

I can remember the first time that I met Eric & Nancy Campbell when I made my first visit to the Old Archerfield Speedway located at the end of Mortimer Road, near Archerfield Airport at Acacia Ridge, before you ended up in Oxley Creek back all those years ago, when Sunday afternoon was speedway afternoon and hundreds of speedway followers would turn up with lunches in the boot of their road cars to witness what was going on at Archerfield Speedway between the Stock Cars and Saloon Cars, and whatever else was on the program, with you know out there like Eric & Nancy Campbell (THE BLACK ANGEL) in QLD 68 - FJ Holden Saloon Car with the Black Scarf flying in the breeze as he raced against some of his peers trying to do the same thing as Eric and add another trophy to his already overflowing Trophy Cabinet back at home. While Eric was out racing the FJ Nancy would be standing on the hill near the pit area watching what was going on and ready to spray any words at any driver who wasn't playing the game, and following the race if Eric was punished for doing something wrong it would be on when the cars returned to the pits. I hope that you all enjoy reading this story of Eric and Nancy Campbell lets not forget that they will always be remembered for the contribution they have given to the sport of speedway racing around Queensland.

VALE ERIC AND NANCY CAMPBELL.
