# Newsletter-Editors-Report

The CSAQ Newsletter Editor has been following some of the big events over the Christmas - New Year period which started with a trip out to Archerfield Speedway to watch the first appearance of the World of Outlaws Sprintcar Champion Donny Schatz from the United States who took out Round 1 of the KRE Race Engines 30 lap Sprintcar Feature, and had a very successful trip by winning a large number of the Sprintcar shows at Archerfield over the Festive Season.

The next event that I have to report on is the 2014 Australian Speedcar Championships that was held from the 8th - 11th January 2014 at Speedway City, South Australia with thirty-eight speedcars that had nominated to witness the action with the following results:- 1st. W A 11 Adam Clarke NSW claiming his third title, 2nd. QLD 29 Alex Bright from the United States, 3rd. S.A. 41 Ryan Jones and by all reports the racing was good to watch.

The next event that I went to watch was the POWRi Australian World Midget Championships held over the Australia Day weekend where there were approximately forty-one drivers who had nominated for this event representing the United States, New Zealand and of course from around Australia and the racing was also good to watch with only a couple of big accidents over the weekend.

With a strong group of Drivers from New Zealand as well as the top drivers from the United States there was some good racing over the two night event, and with the Americans running away with the top three placings both nights I would have to put the event down as one of the best midget speedcar shows that I have attended for a long time and from all reports this event has been programmed for the next three years. I also followed the POWRi World Midget Speedcar Championship that had travelled to the Lismore Speedway on Friday 31st January and Saturday 1st. February with a strong result from the Kiwi's where Brad Mosen won the weekend overall in front of a good crowd and some good racing as well both nights.

This group of photos were placed in the first nights programme to show some the late model speedcars that had nominated for the event and I will also be placing some of the photos from the first night also in this report.

**Some of the action from last night:**  
 From Top Left clockwise: USA 91 Darren Hagen, A1 Adam Clark, USA39 Bryan Clauson, Upside down USA3 Jerry Coons Jr, and last night's Preliminary A podium: 3<sup>rd</sup>:Hagen, 1<sup>st</sup>: Clauson, 2<sup>nd</sup>: Christopher Bell

# CSAQ Travels to Stanthorpe Show

## STANTHORPE SHOW REPORT

On Friday 31st January and Saturday 1st February the following Members of the Classic Speedway Assn (QLD) Inc., made the trip back to the 2014 Stanthorpe Show for another two day display with the following vehicles ,QLD 26 FX Grey Holden Saloon Car owned by Bob & Margaret Hebert, QLD 17 Litre Sprintcar owned by Kevin Fry, VIC 33 Formula 500 owned by Brian & Cathy Jones who once again made the trip fro Goondiwindi, QLD 76 Super Modified owned by John & Shirley Stephens, and Daryl & Jane Haywood also made the trip to give support for the display and the CSAQ Club.

This year the Club Newsletter Editor wasn't available, but from all reports that he has received the event went off very well and everyone of the Members had a great time during the show, with one report that the crowd attendance was low this year but still enjoyed themselves talking to the visitors who stopped to have a look at the display.

I would at this stage like to personally thank Bob & Margaret Hebert for supplying some photos from the show and I will place some of them with this report.

The first photo show the Cheeky John Stephen showing that his wife the lovely Shirley has had to take out an insurance policy and John shows off the company to everybody at the show.(Poser).

The photo to the right shows the group of CSAQ Members under the awning relaxing during there day at the Stanthorpe Show for 2014.

This photo of Miss Show Girl for 2013-14 Ashleigh Williams standing beside John Stephen's Super Modified while it was on display at the Stanthorpe Show for 2014 and on behalf of the CSAQ we would like to congratulate Ashleigh after winning the Miss Show Girl event for 2014.

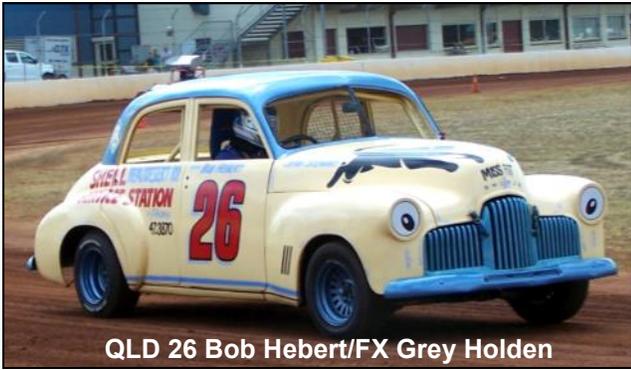

This photo shows one of the youngest Saloon Car Drivers to ever get behind the wheel of a Saloon Car, and thanks to Bob Hebert for adding this photo to the collection as it just goes to show that this little fellow wants to race saloon cars when he grows up.

In closing this report from the 2014 Stanthorpe Show the CSAQ Members would like to thank the members who made the trip to Stanthorpe and I am sure that the CSAQ will be making the trip back to Stanthorpe in 2015.

The Newsletter Editor would also like to again thank Bob & Margaret Hebert for supplying the photos for this report.
