CSAQ Returns to Caboolture

QLD 72 Tony Woods Holden Saloon Car

The CSAQ along with members of the VSAQ and Historic Speedway clubs made the trip back to the Caboolture Showgrounds for a Test & Tune day, The April 2016 event unfortunately has been postponed so hopefully in the future the Vintage and Historic Club members will be able to bring their restored speedway vehicles out for yet another day night event at the Caboolture Showgrounds.

There was a good roll up of restored speedway vehicles at the test & tune day where everyone had a good time as there were Uncaged & Caged Speedcars, Compact Speedcars, Saloon Car, Super Sedan, Microsprints from all of the four clubs with no major problems except for the storms that were hanging around but didn't

let loose throughout the afternoon which gave all of the car owners enough time to have a few demonstration runs on the track.

Qld 27 Anthony Carroll/ Microprint

These two photo's show two of the new members of the CSAQ Kay Mutton and Anthony Carroll having there first demonstration run at one of the CSAQ Events for the 2015-16

to you as soon as he can.

Special thank you to John Fry and Family for organizing all the Restored Speedway Vehicle Owners and Club supporters who made the trip to Caboolture on the 7th November, and I hope that you all had a great day, and we look forward to seeing you all sometime in 2016 where all the details for future events will be available as soon as possible ..
