"CSAQ Newsletter Editors Report"

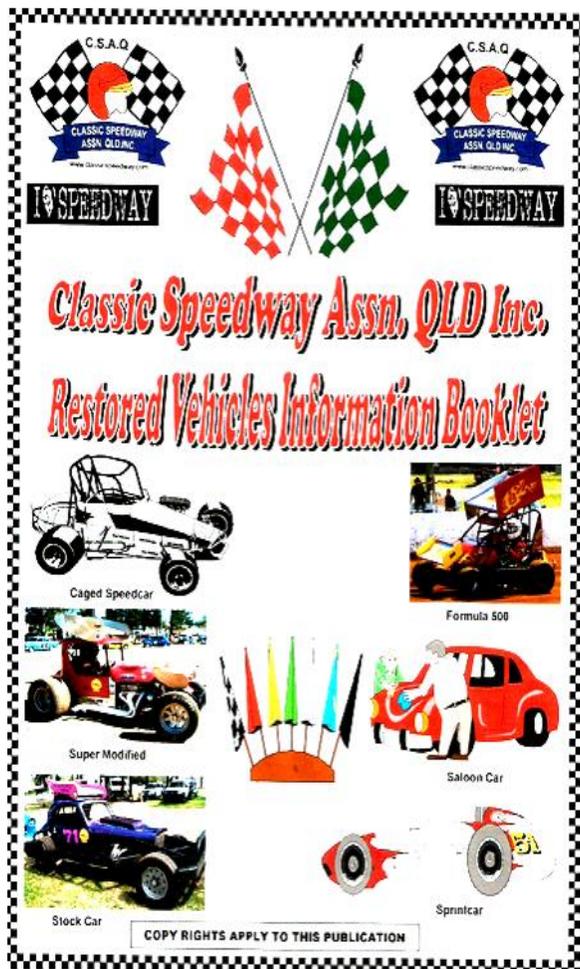

From the Desk of the Newsletter Editor

As this Edition of the Classic Speedway Association QLD Inc. Newsletter goes out to all the Members of the Club the Newsletter Editor has once again been busy trying to make this edition full of all the action that has happened during the past couple of months where the events for the Club have been held at various venues along with an update of the CSAQ's Club Events Calendar.

Since the August AGM Meeting the CSAQ Newsletter Editor has visited Hare & Forbes Machinery Warehouse to capture some photos of the CSAQ Restored Speedway Vehicles that were on display within the warehouse as you would later in this edition. Special thanks to Peter Dixon and Staff at Hare & Forbes at Coopers Plains for allowing the CSAQ to have the display within the Showroom for the customers to look at while they are in the store purchasing their products.

This photo to the left showing the front cover of the CSAQ Restored Vehicles Information Booklet that has been put together by the CSAQ Newsletter Editor and is now available to order through the Club Secretary. Special thank you to Col Mullins for all the time and hard work done to produce this booklet and we hope that everyone will purchase a copy for the history of the sport of Speedway racing. Cost per Copy \$40.00 each.

This photo above shows Club President Darryl Hayward presenting the First place trophy to the Club Secretary Tony Woods following his participation at the FX-FJ Holden Display at the Rocklea Showgrounds on Sunday 24th September 2017. "2017 CSAQ Christmas Party"

On Sunday 2nd December 2017 the CSAQ held there annual Christmas Function at the Club Rooms at the Rocklea Showgrounds where approximately forty Members and Guests turned up for the end of year function to help celebrate Christmas for 2017.

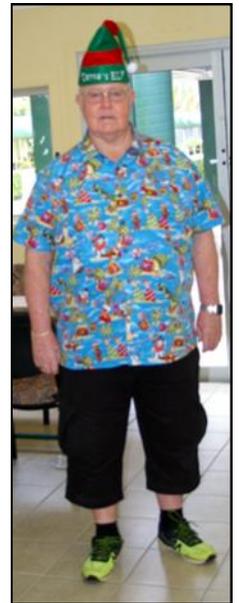

The day started off by everyone turning up round 11am where some of the members of the Club Committee had set up the Clubrooms with tables and chairs followed by beautiful lunch and a chance to sit down and enjoy a mouth watering lunch where the members had supplied all the food and desert for everyone to enjoy including the Chicken and ham supplied by the Club Committee and don't think that there anyone went home hungry afterwards.

Following the meal most of the members just sat around talking and relaxing and hopefully looking forward to celebrating the festive season with family and friends in the coming weeks ahead. I have placed some photos of some of the members who attended the function where everyone had time to enjoy each others company for the afternoon. It was good to see that many of the members turned up in flashy surf shirts to help to put a bit of colour into the day and brighten up the party well done by all.

This photo of John Oldham who arrived as one of Santa's Elf's but forgot the rest of the suit.

This photo of former Club President Roy Johnston dressed in his Christmas Shirt and Santa Hat looked set to party on the day.

This photo above of long standing CSAQ Member John Stephen enjoying a chat with some of his friends.

This photo showing Lyle & Joyce Gough enjoying the Christmas Function sitting together after lunch.

The photo below showing Rod Hay & Roy enjoying a chat on the day.

This photo showing Kerry Woods, Cheryl Postlethwaithe, Jane Hayward with Club Secretary Tony Woods in the backgrounds looking surprised during the function as I think that his wife caught him off guard as she was talking to her friends at the table on the day.

"CSAQ Visits Lockyer Valley Speedway"

With bright sunshine and beautiful blue skies the Classic Speedway Association Queensland Members turned up for the Christmas meeting at the Lockyer Valley Speedway at the Gatton Showgrounds on Saturday 9th December 2017 for more demonstration runs on the track.

With the hot sun beaming down on the track surface and a few problems with the water truck, the Classic, Vintage and Historic Speedway vehicles were able to have four demonstration runs before the main programme began where several of the vehicles had to try and see through the dust but with no major incidents to report the demonstration runs went off without a problem.

The restored speedway vehicles who had turned up were as follows: Saloon Cars, Caged Speedcars, Formula 500's, Sprintcar and a Microsprint, and to my knowledge not too many problems were had by any of the vehicles, and I am sure that everyone had a great time apart from running with the dust which won't be a problem for the next meeting in February. I have placed some photos of the Classic Speedway members in action on the track during the demonstration runs during the day.

This photo showing NSW 91 John Oldham in action in his new toy the Gulf Western Oil Yamaha R6 Formula 500 which looks good under the bright sun.

This photo above showing QLD 9 Michael Davidson behind the wheel of the Stealth/ED Pink Ford powered Midget Speedcar in action at the Lockyer Valley Speedway on the 9/12/17.

This photo above shows two of the beautifully restored FX & FJ Holden Saloon Cars running together on the main straight at Gatton Showgrounds during one of the Demonstration runs, with QLD 1 Anthony Harrison on the outside of Bris. 72 Tony Woods which would have to be one of the best action photos taken on the day, and showing how they use to race all those years ago.

This photo above shows QLD 63 Tony Harrison in the EH Holden giving the wall a bit of a bump as he was trying to pass Bris. 72 Tony Woods in the FJ Holden Saloon Car at Gatton on the 9/12/17.

"Lockyer Valley Speedway Action Photo's"

The CSAQ Newsletter Editor and Club Photographer has put together a collage of photos from the December meeting at Lockyer Valley Speedway to show all members some of the action that went on during the Christmas meeting for 2017, and I hope that everyone enjoys the hard work put into making the CSAQ Newsletter this time around and I hope that it will continue for the next year ahead.
