"Tribute to Robbie Kyle"

A Service to Celebrated the Life of
Robert Albion Kyle
19/2/1951 - 05/04/2018

"The Legend of Robbie Kyle"

"SUCCESS FAVOURS THE BRAVE.....
CAUSE IF COURAGE MEANT
YOU'D WIN THE RACE.....
HE'D WIN IT EVERY TIME."

This story starts a while ago, back around 1983
I met a man who over time, would mean so much to me.
His name was Robert Kyle, a wild sprint car driving man
He towed along Qld number 8 behind a Bedford van

No matter what you knew him as, Kyley, Rob or RAK
A friend for life is what you had, he always had your back
And with Pedro, Dave and the crew he had over the years
They'd race all night, the only prize, was an esky full of beers

Kinser, Rush, Tatnell, Sills, he raced against the best
And anytime he went on track, he'd put them to the test
'Cause if courage meant you'd win the race,
he'd win it every time
With a heart as big as Phar Laps, in that sprint car he did shine

Either at the front or at the back, or he'd end up on the hill
I watch him drive that sprint car, it always was a thrill
But now they've called him up, we've strapped him in and pushed him
out on track
It's locked in gear, the push trucks on, but this time he won't be back

As the engine starts, he gives a squirt and covers us in clay,
As if to say "Don't cry for me, we'll meet again one day"
Now the chequered flag has finally dropped, this race it has been run
But the green flag has come out again, he starts another one

And when I go out to the speedway now, it will never feel the same
As I know that I will never hear, the announcer call his name
And I'm proud to say I knew him well, he was more than just a mate
But his legacy goes on forever driving Queensland Sprint car Number 8
Rest in peace Kyley,

Damien Emery Damo
